**PROGRAMS AVAILABLE TO NATIONAL ACCOUNTS CUSTOMERS:**

LIPA’s Commercial Construction Program provides financial incentives to customers who agree to specify and install energy-efficient equipment in buildings under construction or renovation. The program also offers technical assistance to developers and their design teams to facilitate the construction or renovation of buildings with an energy use performance that exceeds standard building practice. LIPA offers a rebate program that meets your construction requirements. Call 1-800-692-2626 for more information.

LIPA is offering cash incentives to companies who incorporate geothermal heat pumps into their commercial facilities or replace an existing geothermal system. Call 1-800-692-2626 for more information.
