

Emergency Outage Kit

Be prepared for a power outage with an emergency outage kit, which should always be stocked and easily accessible. Kit items include:

- Flashlights
- Fresh batteries
- Candles
- Matches or lighters
- Battery-powered radio
(*NOAA Weather Radio, if possible*)
- Battery-powered or wind-up clock
- Portable heater (*oil or gas*)
- Portable generator
(*review safety tips prior to use*)
- Bottled water for drinking and cooking
(*one gallon per person per day*)
- Nonperishable food and manual can opener
- Paper plates and plastic utensils
- Coolers and ice
- First-aid kit and family prescription medicines
- Blankets and/or sleeping bags
- Warm clothes, sturdy shoes, and heavy gloves
- Special needs items for infants, elderly, and/or disabled family members
- Sanitation and personal hygiene items, including hand sanitizer
- Games and activities for children
- Pet supplies
- Emergency telephone numbers, including the number of your local electric company to report outages
- Emergency reference material such as a first aid book or information from **www.ready.gov**
- Extra cash
- Instructions on how to manually open electric garage doors
- Important family documents such as copies of insurance policies, identification, and bank account records in a waterproof, portable container cool.

The **Edison Electric Institute** (EEI) is the association that represents all U.S. investor-owned electric companies. Our members provide electricity for 220 million Americans, operate in all 50 states and the District of Columbia, and directly and indirectly employ more than one million workers.

Safe, reliable, affordable, and clean energy powers the economy and enhances the lives of all Americans.

EEI has dozens of international electric companies as International Members, and hundreds of industry suppliers and related organizations as Associate Members.

Organized in 1933, EEI provides public policy leadership, strategic business intelligence, and essential conferences and forums.
