

Table of Contents

Executive Summary	iii
Introduction	v
Ameren Corporation	1
Grand Rivers Projects	1
Fargo – Mapleridge	3
Brokaw – South Bloomington	3
Lutesville – Heritage.....	4
American Electric Power	5
AEP Texas: Corpus Christi - Lower Rio Grande Valley 345 kV Energized Line Re-Conductor.....	6
AEP Texas: Lower Rio Grande Valley Transmission Improvement.....	7
AEP Texas: Sinton – Beeville – Kenedy Area Improvements	7
AEP Texas: Live Oak County Transmission Project.....	8
APCo: Cloverdale Area Improvement	8
SWEPCo: Welsh HVDC Upgrades	9
SWEPCo: Layfield 500/230 kV Station.....	9
AEP Transcos	10
I&M Transco: Sorenson 765/345 kV New Station/Lines.....	10
I&M Transco: Corey – Pokagon 69 kV line rebuild	11
OH Transco: Southern Ohio Upgrades	11
OH Transco: Eastern Ohio Upgrades	12
OK Transco: Chisholm to Gracemont 345 kV.....	12
OK Transco/SWEPCO: NW Texarkana to Valliant 345 kV	13
WV Transco: Kammer 345/138 kV Rebuild/Expansion.....	13
WV Transco: Kanawha Valley Area (KVA) Improvements	14
Electric Transmission Texas	14
Valley Import Project and Cross Valley Project.....	15
Pioneer Transmission, LLC.....	16
Transource®	17
Nebraska City – Sibley Line and Iatan – Nashua Line.....	17
American Transmission Company	19
Badger Coulee.....	20
Bay Lake	21
Spring Valley – North Lake Geneva	22
Arizona Public Service	23
Hassayampa – North Gila 500 kV Project	23
Sun Valley – Trilby Wash – Palm Valley 230 kV Project	24

Palo Verde Substation – Delaney Substation – Sun Valley Substation – Morgan Substation – Pinnacle Peak Substation 500 kV Projects.....	24
North Gila Substation – Orchard (formerly TS8) Substation 230 kV Project	25
Avangrid Networks.....	27
Central Maine Power Company	27
Maine Power Reliability Program (MPRP).....	28
MEPCO Section 388 and 3023 345kV Transmission Line Rebuild Project.....	29
NYSEG and RG&E	30
Ginna Retirement Transmission Alternative Project (GRTA)	30
Rochester Area Reliability Project (RARP).....	31
United Illuminating	32
Bridgeport – New Haven Line Railroad Corridor – Transmission Line Upgrades.....	32
Berkshire Hathaway Energy	33
BHE U.S. Transmission, LLC	34
PG&E/BHE U.S. Transmission Joint Venture Project.....	34
MidAmerican Energy Company.....	35
MidAmerican Energy Expansion Projects	35
NV Energy	36
Centennial II.....	37
ERCRC response to SB123: “NVision” (a Nevada Senate Bill, approved in June, 2013)	38
PacifiCorp	39
Energy Gateway.....	39
CenterPoint Energy	41
Freeport Area Upgrades	41
Katy Area Upgrades.....	42
Brazos Valley Connection.....	43
Jones Creek Project	44
Consolidated Edison (Con Edison)	45
Rainey – Corona 138 kV Line.....	46
Duke Energy.....	47
Cane River 230 kV Substation, Install 150 MVAR Static Var Compensator (SVC) – DEP	48
Entergy	49
Hot Springs Milton to Carpenter Dam 115 kV Project	49
Osceola Area: Construct New 500/230 kV Substation	50
Southeast Arkansas Reliability Projects	50
AECC Hydro Station #2 to Gillett: Construct New 115 kV Line.....	51

Jim Hill Area Upgrades	51
Jonesboro EHV – Power Line Road	52
White Bluff Area Improvements	52
Franklin to McComb 115 kV Project	53
Madison/Hinds County Reliability Project	53
Vicksburg Area Improvement Project.....	54
Southwest Mississippi Improvement Project.....	54
Ponderosa to Grimes 230 kV Project.....	55
Orange County Project	55
SELA Project Phase 2 and Phase 3.....	56
Northeast Louisiana Improvement Projects.....	56
Cadeville: New Distribution Substation	57
Mud Lake Area: Construct New 230 kV Substation	57
Fancy Point Substation: Add Second 500-230 kV Autotransformer	58
China to Amelia: Construct New 230 kV Line.....	58
Alden Substation: Add 200 MVAR SVC	59
Nelson Substation: Upgrade 500-230 kV Autotransformer to 1,200 MVA.....	59
Valentine to Clovelly: Upgrade 115 kV Line.....	60
Terrebonne to Gibson: Construct New 230 kV Line.....	60
Lake Charles Transmission Project	61
Golden Meadow to Leeville 115 kV	61
Louisiana Economic Transmission Project (LETP).....	62
Western Region Economic Project (WREP)	63
Sadie 230 kV Substation	64
Big Lake 230 kV Substation	64
Nine Mile to Barataria 115 kV.....	65
Eversource Energy	67
Northern Pass Transmission Project (NPT Project)	67
Interstate Reliability Project (IRP)	68
Pittsfield – Greenfield Area Solution	69
Greater Hartford Central Connecticut Reliability Projects (GHCC).....	69
Greater Boston Reliability Solution.....	70
Exelon	71
Baltimore Gas and Electric (BGE).....	71
Conastone – Graceton – Raphael Road 230 kV Circuits	72
Constitution Street 115 kV Switching Station	72
Commonwealth Edison (ComEd)	73

Project to Install Two 300 MVAR SVCs at Crawford Substation	73
Project to Install New 345 kV Transmission Line, Grand Prairie Gateway Project	74
Pepco Holdings	75
Burtonsville – Metzertott – Takoma Transmission Project	75
BL England At-Risk Transmission Projects	76
Delmarva Power: Wattsville – Piney Grove New 138 kV Transmission Line	76
FirstEnergy	77
Energizing the Future Initiative.....	78
ITC Holdings Corporation (ITC).....	79
ITC Midwest.....	79
Multi-Value Projects 3 & 4	80
Ottumwa – Zachary (Multi-Value Project 7)	81
ITC Midwest Smart Grid Program	81
ITC Great Plains	82
Elm Creek – Summit Project.....	83
ITCTransmission	84
Michigan Thumb Loop Transmission Project (Multi-Value Project 13)	84
Michigan Electric Transmission Company (METC)	85
Marshall-Blackstone Transmission Line Rebuild	85
Minnesota Power	87
CapX2020 Transmission Plan	87
Great Northern Transmission Line	88
National Grid.....	91
Merrimack Valley Reliability Project (“MVRP”), part of the Greater Boston and New Hampshire Solution	91
New York Transco	93
Ramapo – Rock Tavern 345 kV Line	94
Fraser – Coopers Corners 345kV Line with Reactive Support.....	95
Staten Island Unbottling	96
Oncor Electric Delivery Company.....	97
West Texas Grid Enhancement Project in the Permian Basin.....	97
Yucca Drive – Culberson 138 kV Transmission Line	99
New Bethel Energy Center 345 kV Transmission Line.....	100
Otter Tail Power Company	101
CapX2020 Transmission Plan	101
Big Stone South to Brookings County	102
Big Stone South to Ellendale	103
PPL Corporation.....	105

PPL Electric Utilities	105
Lauschtown 500/230/69 kV Substation	106
Northeast/Pocono Reliability Project	106
Greater Scranton Reliability Project	107
Sugar Notch Area Reliability Improvement	107
Northern Lehigh Reliability Project	108
Louisville Gas & Electric and Kentucky Utilities (LG&E/KU)	108
Cane Run Unit 7 Transmission	109
Kenzig Road	109
Public Service Company of New Mexico	111
Rio Puerco Static Var Compensator	111
Guadalupe Static Var Compensator (SVC) Project	113
Public Service Electric and Gas Company (PSE&G)	115
Northeast Grid Reliability Project.....	115
Susquehanna – Roseland 500 kV Transmission Line Project.....	116
Mickleton – Gloucester – Camden Reinforcement Project.....	117
The Bergen Linden Corridor 345 kV Project	118
SCANA Corporation	119
V.C. Summer #2 and #3 Interconnection Project.....	119
Southern California Edison (SCE)	121
Tehachapi Renewable Transmission Project (TRTP)	122
Path 42	124
Tehachapi Wind Energy Storage Project (TSP)	124
Centralized Remedial Action Schemes (CRAS).....	126
Southern Company	127
East Pelham 230/115 kV Transmission Substation Project.....	127
Greene County – Bassett Creek 230 kV Line Project.....	128
Mobile Area Network Project.....	128
North Brewton – Alligator Swamp 230 kV Line Project.....	129
Pinckard – Holmes Creek – Highland City 230 kV Transmission Line Project.....	129
Plant Smith – Laguna Beach – Santa Rosa 230 kV Transmission Line Project	130
Plant Vogtle Network Improvement Project	130
Tuscaloosa Area Solution	131
Wadley 500/230 kV Project.....	131
Jasper 161 kV Area Improvements	132
Eastern Area Improvements.....	132
Auburn – Opelika 115 kV Networking.....	133
Panama City Area Voltage Improvements	133
Jasper – Pine Grove Primary 115 kV Project	134

Boulevard 230/115 kV Project	134
Dublin Area Solution	135
Pinecrest (formerly Sharon Springs) 230/115 kV Substation Project	136
Project Name: Crisp County Area Project	136
Holt – South Bessemer 230 kV TL	137
Mobile Area Networking Phase II	137
Tampa Electric Company (TECO)	139
Polk Combined Cycle Conversion Project	139
Tucson Electric Power (TEP)	141
Nogales DC Tie	141
Vermont Electric Power Company.....	143
Connecticut River Valley Project.....	143
Transmission System – Substation Improvements	144
Transmission System – Line Improvements	145
Westar Energy.....	147
Summit to Elm Creek 345 kV Transmission Line Project	147
Jeffrey Energy Center to East Manhattan 230/345 kV Transmission Line Project.....	148
Stranger Creek to Iatan 345 kV Transmission Line Project	149
Xcel Energy.....	151
Northern States Power Companies (NSP Companies)	151
CapX2020 Transmission Plan	152
MISO Multi Value Project Portfolio.....	153
Scott County 345 kV Substation Expansion	154
Bayfront to Ironwood 88 kV	154
Couderay – Osprey 161 kV Line	155
Public Service of Colorado (PSCO).....	156
Pawnee – Daniels Park 345 kV Transmission Line.....	156
Rifle – Parachute 230 kV Transmission Line	157
Ault – Cloverly 230/115 kV Transmission Line	158
Southwestern Public Service (SPS).....	159
Potash Junction – Roadrunner 345 kV Transmission Line (initially energized at 230 kV)	159
Carlisle – Wolfforth 230 kV Transmission Line.....	160
Hobbs – Kiowa 345 kV Transmission Line	160
Kiowa – North Loving – China Draw 345 kV Transmission Line	161
