To: EEI Corporate Accounting Committee,

With anticipation for a most successful meeting, I'm delighted to invite you to attend the EEI Corporate Accounting Committee Fall Meeting scheduled for November 15-18, 2009 at the Rio All-Suite Hotel in Las Vegas, Nevada.

This meeting gives us the opportunity to come together and discuss relevant issues of significant importance to our industry. After reviewing the attached agenda, you'll see that we have a number of topics to address critical issues including:

- **"IFRS and Rate Regulated Entity"** – Casey Herman, Partner - PricewaterhouseCoopers
- **"FASB/SEC Update"** – Bill Graf, Partner – Deloitte & Touché, LLP
- **"Regulatory Round Up – Rate Case Update"** – Al Felsenthal, Managing Director – Huron Consulting Group
- Panel Discussions on topics such as – **Revenue Chain Process, Smart Grid, and Communicating – Updating Accounting Policies & Procedures.**

In addition, we will feature breakout sessions on topics specific to our profession and the highly rated "Let's Talk Accounting" sessions. Given the demands we all face, these sessions should provide interesting discussions beneficial to all of us.

As always, the formal portion of our meeting combined with informal and social activities will provide an invaluable opportunity for networking and exchanging ideas and information with your industry peers from across the country.

Finally, we know you will be excited about this year's meeting location – Las Vegas, Nevada. We hope you will join us for what promises to be a great meeting.

I look forward to seeing you in Las Vegas!

Best regards,
