## A Wedding to Remember Broadway Show & Dinner

Celebrate TNT 8th year of wedded bliss in Las Vegas. During the past 8 years in Las Vegas, Tony and Tina have walked down the aisle more than 1800 times in front of more than 315,500 guests and still continue to make every wedding a one of a kind event filled with great music, laughter, food and love.

The exciting interactive show concept gives audiences a chance to attend an actual wedding in which there is a ceremony, reception, guests and lots of improvisation. The theatrical performance satires an Italian American wedding and the audience participates in all aspects of the fictitious event.

The most imaginative aspect of the show is its unpredictability. Because the actors are indistinguishable from guests, no one is quite sure of the outcome. This creates certain spontaneity unparalleled by other Las Vegas shows. The show's original New York director, Larry Pellegrini, directs and supervises the casting, rehearsal and production process of the Las Vegas version of Tony n' Tina's Wedding, which has played in more than 40 American cities throughout its remarkable run. The show is produced by the New York Broadway producers Jeff Gitlin and Raphael Berko.

Since it's opening more than 19 years ago, the show has garnered rave reviews from every major national publication, including the New York Times, which called the show "Audaciously Imaginative" and Glamour Magazine called Tony n' Tina's Wedding "Off-Broadway's most innovative Play." Audiences begin the evening with a wedding ceremony that is followed by a **buffet dinner & reception** hosted by Vinnie Black.

This has been rated one of the top 5 shows to see in Vegas. ...
