

**EDISON ELECTRIC
INSTITUTE**

September 14, 2009

To: EEI Property Accounting & Valuation Committee,

I'm honored to invite you to attend the EEI Property Accounting & Valuation Committee Fall Meeting scheduled for November 15-18, 2009 at the Rio All-suite Hotel in Las Vegas, Nevada.

This meeting gives us the opportunity to come together and discuss relevant issues of significant importance to our industry. After reviewing the attached agenda, you'll see that we have a number of topics to address critical issues including -

- **"IFRS and the Rate Regulated Entity"** – Casey Herman, Partner – PricewaterhouseCoopers
- **"FASB/SEC Update"** – Bill Graf, Deloitte & Touche, LLP
- Panel Discussions on topics such as" – **Capital vs. Expense, Smart Grid and Field Training & Communication.**

In addition, we will feature breakout sessions on topics specific to our profession and the highly rated "Roundtable" sessions. Given the demands we all face, these sessions should provide interesting discussions.

As always, the formal portion of our meeting combined with informal and social activities will provide an invaluable opportunity for networking and exchanging ideas and information with your industry peers from across the country.

Finally, we are excited about this year's meeting location – Las Vegas, Nevada. We hope you will join us for what promises to be a great meeting.

I look forward to seeing you in Las Vegas!

Best regards,
