

EEI Supplier Diversity Excellence Award Application

I. MISSION

Provide guidance and leadership to members:

- Using a dynamic 360° vision
- Managing a myriad of needs
- Sustaining full industry-alignment in a changing environment

II. PURPOSE

To recognize EEI member companies for their excellence and outstanding achievements in the advance purchasing opportunities for diverse and small businesses.

III. DEFINITIONS

Diverse or Small Business: A business enterprise that is 51% owned and controlled by a minority or women owned individual or group. Minority is defined as, Black Americans, Hispanic Americans, Native Americans, Asian Americans and Women, Hub zone or SDBs.

FORMAL PROGRAM:

A formal supplier diversity program has some combination of the following elements:

- Designated Staff
- Written Corporate Policy
- Measurable Goals and Objectives
- Outreach (External and Internal)
- Process Flow Chart and/or Procedure of how the supplier diversity process is woven throughout the organization

EVALUATION CRITERIA FOR JUDGING PURPOSES

A task force of EEI members will evaluate the entries, based on the following criteria and excellence in supplier diversity:

- Diverse business opportunities
- Outreach to target group(s)
- Program provides expert-level coaching, mentoring and training that helps diverse businesses improve their effectiveness, competitiveness and ultimately their bottom-line
- Inspire employees to find innovative diversity business solutions that bring value to their company, tie supplier diversity to their key metrics for success and subsequently establish diversity businesses as strategic partners
