8:00 am

Networking Breakfast "Waffle Wednesday"

Pacific Hall A – Lower Level - General Session Ballroom

9:00 am

General Session

Leadership in Energy and Environmental Design – LEED

The morning will spent devoted to providing attendees with in-depth look at the increasingly popular LEED rating system. LEED is the nationally accepted benchmark for the design, construction and operation of high performance green buildings. LEED provides energy and facility managers the tools they need to have an immediate and measurable impact on their buildings' performance. *NOTE: Attendance documentation*

Presented by: Rob Hink, Vice President, The Spinnaker Group, Inc
Moderator: Ralph Calleja, Florida Power & Light

Customer Experiences in LEED
